e. Presentation Items (new and completed item):

A requisition was received from the FE Division requesting assorted pistols, revolvers to be used as presentation items. The requesting division has set a 19 Nov. deadline for the delivery to the Case Officer on a cash reimburseable basis. The necessary procurement action has been initiated and it is expected that the deadline date will be met.

f. Procurement of Quartz Crystals (continued item):

A letter was received from the confirming their verbal request for withdrawal or their low bid submitted under the invitation for bids on quartz crystals. This bidder alleges that it overlooked the additional requirements for resistance as outlined on the graph which was attached to the bid request and that the crystal units cannot be made by their present production techniques to meet our resistance requirements. Consideration is being given the letter; however, it is apparent that crystals of the required resistance can be produced in view of the number of competitive bids received. Award under the invitation has not been made to date.

g. Procurement of Offset Proof Press (completed item):

The necessary approval for the subject procurement has been received in the Contract Branch and an order for the press was placed with the press on 16 November 1954. Delivery of the press by the press been set at no later than
